RE: United States V. VIRUET Case# 1:99-Cr-01104-SJ-4

Dear Hon. Sterling Johnson Jr.

I am writing on behalf of George Viruet. I met Mr. Viruet in 1993 when he began dating my daughter. In the time we knew him, he was very respectful and caring young man who became an extended member of our family. He was a great support system to me and my daughters.

Mr. Viruet has explained a serious lapse of judgement and understanding of the impact this lapse caused many others.

As his friend, I have been aware of some personal difficulties Mr. Viruet encountered as a young adult. Throughout his time of incarceration

2 pages  
he has remained in touch with our family and Shared his growth and accomplishments. Mr. Viruet has shown if given the opportunity to move past this Mistake and become a productive Member of society. It's my hope this letter will act as a positive and Contributing factor when the Court considers this Matter.

I will gladly be a Continued Support System for Mr. Viruet by assisting him in Looking for employment as well as being a part of his emotional Support team.

Sincerely

Sylvia Rodriguez
